

The Pope Band Parent Association invites you to participate in our American Flag fundraiser in 2023!

2023 American Flag Fundraiser

Let us help you display your patriotic spirit!

The annual subscription cost for 2023 is **\$60 per year for one flag** and **\$50 for each additional flag** in your yard. This price increase is to cover the increased cost of gas, materials for installation, flags and poles. As in prior years, the PBPA and the students of the Pope High School Band will provide the flag, the holder and erect and remove the flag and pole in observance of 5 patriotic holidays – **Memorial Day, Flag Day, July 4th, September 11th and Veterans Day**. The flag will be displayed before and after each holiday, for a minimum of 5 days. A PVC tube flag holder is recessed into your yard so that it does not interfere with lawn mowing, typically 3 feet in from the curb.

The flags are a beautiful way to show your patriotism and to support the band!

The Pope Band Parent Association (PBPA) is a 501(c)(3) non-profit organization that financially supports the activities of the Pope High School band.

Your signature below releases PBPA and any volunteers from any property damage incurred during installation of the flags.
