

# Pope Concert Band Tuxedos – 2019-2020

## What you need to wear with the Tuxedo:

- White wing collar pleated tuxedo shirt
- Black satin bowtie and cummerbund
- Black & silver shirt studs and cufflinks
- Black dress shoes with completely black socks.

## Where you can get the items:

The stores below have very helpful staff. You may purchase from other stores or online, but make sure you will receive the items in time. I strongly recommend buying cheap shirt studs and cufflinks online, because the studs WILL fall out and get lost. (In past years, some have purchased replacement stud sets on eBay for under \$4.00 each).

Daniel is the store manager. If you tell them you are in the Pope Band they will know exactly what you need. They will help you try on the shirt and make sure you get the right size.

They have tuxedo shirts for \$20. Their satin bowtie/cummerbund sets are \$12. If you have a cummerbund and just need a bow tie they are \$6.50. The cufflinks are \$7.

### **K&G Fashion Superstore** – great for dress shoes –

They have tuxedo shirts for \$20-25 on their last folded shirt aisle – make sure you get pleated with wing collar. Their satin bowtie/cummerbund sets are \$15. They have cufflinks for \$15.

## What to do if you can't get these items by the September 10th concert:

Wear a nice white dress shirt with the tuxedo. Show up early for the concert so you can borrow a loaner bowtie and cummerbund. Marching shoes are acceptable as long as they are clean.
